Pilgrimages to Vincentian places in Paris:

Saint Vincent lived in Paris for over 50 years - except during his time in Folleville and in Châtillon. We can follow in his footsteps to many parts of the city, mainly in the 5th, 6th and 10th districts, and further away in Clichy; as well as places associated with Sainte Louise, whom Vincent met in 1625, and whom he appointed 1st coordinator of the Charities in 1629. Groups of Ladies of Charity were formed during Saint Vincent's lifetime at the Hôtel Dieu to care for the sick poor, and in several parishes such as Saint Sulpice.
